Some questions to help you purchase the perfect fireplace

1. Have you had the chimney checked and swept by a registered chimney sweep? (You can contact us for your nearest N.A.C.S. sweep)
2. Do you want to use the fireplace for solid fuel (wood, coal), gas, or gel? (We cater for all)
3. What kind of floor do you have in the room, carpet, polished floor, stone etc?
4. Do you have any electrical powerpoints near the proposed fire?
5. What period is your home?
6. Which products interest you, modern or traditional*? (See our range)

* If you have seen a setup on the website please quote the number.
